

## Red Temática de Biocatálisis

### 2021 Webinar Biocatalysis Cycle

**April 29<sup>th</sup> (Thursday), hour 11:00 (CET)**

Polona Žnidaršič Plazi (Faculty of Chemistry and Chemical Technology, University of Ljubljana, Slovenia):

**At the intersection of biocatalysis and microfluidics**

Susana Camarero (Center for Biological Research, CIB-CSIC, Madrid, Spain):

**Designing tailor-made biocatalysts for the industry through laccase directed evolution**
